THE LAVENDER BAG

The Lavender Bag is a twice yearly (Summer and Winter) magazine for lavender enthusiasts. Its aims are -

- *to facilitate information exchange*
- *to aid identification of species and cultivars*
- *to encourage accurate labelling*
- *to provide a forum for discussion between amateur and professional plantspeople*
- *to disseminate research findings*

Written contributions are always welcome: articles, letters, or brief notes. Also welcome are digital images and line drawings of lavenders for illustrations.

For Summer issue by 15th April
For Winter issue by 15th October
